SKYWAY HOUSE AWARDED THREE-YEAR CARF ACCREDITATION

CHICO, CA   September 10, 2013 — CARF International announced that Skyway House has been accredited for a period of three years for its residential, sober living and outpatient substance abuse treatment programs. Skyway House is a non-profit community benefit organization with administrative offices at 40 Landing Circle in Chico, California. It has been providing substance abuse treatment in Northern California since 1993.

This accreditation decision represents the highest level of accreditation that can be awarded to an organization and shows the organization’s substantial conformance to the CARF standards. An organization receiving a Three-Year Accreditation has put itself through a rigorous peer review process. It has demonstrated to a team of surveyors during an on-site visit its commitment to offering programs and services that are measurable, accountable, and of the highest quality.

CARF is an independent, nonprofit accrediting body whose mission is to promote the quality, value, and optimal outcomes of services through a consultative accreditation process that centers on enhancing the lives of the persons served. Founded in 1966 as the Commission on Accreditation of Rehabilitation Facilities, and now known as CARF International, the accrediting body establishes consumer-focused standards to help organizations measure and improve the quality of their programs and services.
